

Warren County Flood Mitigation Assistance (FMA) HOMEOWNER OUTREACH

What Is FMA

Nationally competitive federal grant program through FEMA for NFIP-insured structures

Project Types

Elevation and Acquisition Projects

Cost Share

Pre-determined by FEMA at 75%, 90%, or 100% federally funded depending on incurred flood-related damage

Eligibility Requirements to Participate

Current participation in the National Flood Insurance Program (NFIP) is required.

- Must be insured with the NFIP at the time of the application opening period with a policy in effect.
- Must maintain flood insurance to the structure in perpetuity.

Warren County will prioritize primary residences classified as a repetitive loss (RL) or severe repetitive loss (SRL) structure.

Please note that state funding is contingent on FEMA's priorities, which will include specific criteria for prioritizing homes.
